## High Holy Day Greeters

Welcoming our congregants and guests is one of the most meaningful ways to contribute to the warmth of our High Holy Days. There are many ways to help – welcoming congregants and guests, distributing prayer books, straightening the sanctuary between services, providing directions and answering questions, lending a helping hand to Sinai staff – all of these things matter. To volunteer, please contact **Gianna De Mase** at **hhd@chicagosinai.org**, or 312.867.7000 to become a greeter.
