Memorial Contributions

We are grateful for expressions of generosity that honor Rabbi Howard Berman's life, work and memory. We've chosen the organizations below because of their respective commitments to Classical Reform Jewish tradition (Kehilat Har-El); LGBTQ inclusion in the Jewish community and beyond (Keshet); and support for interfaith families (18 Doors) -- causes that embody the spirit and content of Rabbi Berman's lifelong efforts.

[Kehilat Har-El](#): Kehilat Har-El, established in 1958, is the founding congregation of the Israel Movement for Reform and Progressive Judaism. Kehilat Har-El, Jerusalem (for its general fund): please contact Cantor Evan Cohen at cantorevan@gmail.com for details.

[Keshet](#): Keshet works for the full equality of LGBTQ Jews and our families in Jewish life, and advances LGBTQ rights throughout the United States.

[18Doors](#): Formerly Interfaithfamily.com, 18 Doors supports interfaith families who are seeking inclusive Jewish life, and helps Jewish communities welcome and support interfaith families' Jewish journeys.

May his memory be for a blessing.
